Updated Jan. 29, 2018

SIED hosted "Speak Up!" during lunchtime on Tuesdays and Thursdays throughout the fall semester at the International Community Lounge (Kyotanabe campus).

"Speak Up!" is a popular series event where local and international students talking about various kinds of topics while having lunch. For the fall semester, many students joined to exchange opinions and thoughts about different culture, ideas, and their own experience in a relaxed atmosphere. We hope that participants could learn about different countries or culture through this event.

It's your turn to join our events! Why don't you interact with students from all over the world? We are waiting for you to join us!
