On April 14th (Sun.), SIED hosted "Be Creative! -The Tour of CUPNOODLES Museum in Osaka-" as a welcome event for new international students. We visited CUPNOODLES Museum Osaka Ikeda and not only learn the history but also make our original cup noodles. The participants were surprised at its long history and the huge variety of cup noodles. They seemed excited when they found cup noodles that they had eaten. Thanks to the museum staff, we could learn about cup noodles well. We also made our original cup noodles, designing the cup and choosing favorite ingredients. Some participants drew a wonderful pictures on their cup!

SIED will host many interesting intercultural events throughout the semester. We look forward to seeing you soon!
