

## 【IMPORTANT】 Fall 2026 Schedule of Distribution of Registration Documents and Registration Guidance for Faculties and Graduate Schools (Page 1/1)

You MUST receive the registration documents and participate in the guidance at each faculty to register for the courses.

Each faculty or graduate school office has announced the registration of your classes.

Please make sure to check this document carefully and get information on how you should proceed with the registration. ※Your student ID card will be given after the Convocation ceremony.

► Regular Students are those who expect to complete the designated undergraduate or graduate curricula of the university.

► Special Students are those who either audit or enroll to fulfill requirements for particular courses in undergraduate or master's programs, or those who seek a professor for directed research in a doctoral program.

| Faculty/Graduate School                                                              | Type of Student          | Contents                                                                                                                                                                                                     | Date & Time                                                                                                | Location & Details                                                                                                                                                    |
