"Scavenger Hunt," one of SIED's welcome event for new international students, was held on both of Imadegawa and Kyotanabe campuses on Wednesday, April 4th. 32students, including 20 international students joined the event in total. The participants were divided into small groups and explored the campus.

Some of the missions included taking a photo of students jumping in front of the Kanbai-kan entrance, borrowing a book at the library, and calculating the total price of some meals at cafeteria. They aimed to complete missions provided by SIED. All participants seemed to get close to each other while getting familiar with the campus in this event. Upper grade students told newly-enrolled students what they know. We hope that this event help participants to know the campus and meet new friends.

SIED is planning to hold a lot of events and looking forward to seeing you all in the next event!
