SIED hosted "University Presentation" on June 21st (Fri.) at Learning Commons, Ryoshin-kan 2F in Imadegawa campus.

We invited three exchange students from UC Berkeley, The Chinese University of Hong Kong and National Taiwan Normal University as guest speakers to talk about their universities, regions and cultures.

Added to the introduction of their cultures, tourist spots or some gourmets, they talked about their university's tips such as how the campus life is or characteristics of the classes for those who wants to study abroad. After presentations, participants asked a lot of questions to the presenters eagerly to get more detailed information.

SIED will host various events to satisfy a lot of students. We hope to see you again soon!
