

Let's learn about Japanese chopsticks

~Make eco-friendly chopstick rests~

Many people do not know well about chopsticks even they often use them in daily lives.

Would you like to learn more about Japanese chopsticks? Chopsticks are essential in Japanese food culture. We will introduce them, focusing on chopstick's history, and features of Japanese chopsticks. After that, we make eco-friendly chopstick rests by reusing chopstick bags!

Chopstick rests made of chopstick bags (Sample)

Highly recommended for

- ✓ Eager to learn about Japanese chopsticks
- ✓ Want to make eco-friendly chopstick rests
- ✓ Want to try Origami
- ✓ Interested in international exchange
